WHITTINGHAM LANE,
BROUGHTON PR3 5EB

Whittingham Place is an exclusive development with a mix of 2, 3, 4 & 5 bedroom houses ensuring the perfect home for every type of family.

Each home has been created with modern lifestyles in mind and with exceptional levels of specification throughout, including spacious living areas and high quality kitchens, fixtures & fittings.

DESIGNER LIVING IN A COUNTRYSIDE SETTING

The Whittingham Place development is set in the rural village of Broughton and is close to Fulwood and Preston.

The village is conveniently located for those who enjoy countryside living, yet is close enough to larger towns and cities so residents can benefit from the employment and leisure opportunities they offer.

Within easy reach of the coast and seaside towns of Blackpool and Lytham as well as Garstang & Preston centre and with quick access to the M55, M6, M65 and M61 motorways, the location is ideal for commuters who are looking for a convenient and beautiful village location to bring up their family, as well as for those who wish to work from home or to retire to a countryside location.

The village has several highly rated schools within its reach, and for school leavers there is a wide range of colleges & universities within a commutable distance, including Myerscough College, UCLAN in Preston and Lancaster & Cumbria Universities.
